Dear Mr Harry Otten

I have been advised that the FMJD got in trouble with the organisation of its World Championships which has been unfortunately cancelled for 2009.

Although it was very late when I was approached to try to help with the Brazilian authorities, I really did my best especially as we held the World Bridge Championships in Sao Paulo in October.

Now you will hold the election for your federation in Berlin and I am really sorry not to be able to attend your General Assembly as it is scheduled at a very difficult time for me with some previous commitments the 28 and 29 of December.

However I want to point out that we work very closely together for the organisation and the success of the first World Mind Sport Games in Beijing – October 2008-

Of course all of us were quite disappointed with the cost of the air flight taxes, but very happy on another hand to gather all our lovely sports in such a big event under the IMSA umbrella.

I wish all the best to the FMJD and hope to continue to collaborate with you for a very bright future.

Yours sincerely

José Damiani
