Preface

How it was done?

- ONE rating for men and women
- Events → Rapid and blitz events, like:
 - World and Continental Championships men/women/youth/veterans
 - National Championship individual (men/women/youth) and teams
 - Other events on the level higher than internal club competitions
- Beginning rating
 - rating (men) on January 1st 2012 as a beginning rating for blitz
 - for women without men rating → their women rating recalculated into men rating (details on how to do it on fmjd web)
 - for players without fmjd rating, recalculations from their local rating were done using special formulas
 - main events since EC 2009 in Sweden where taken into account in the first list
 - for the next list (on April 1st still possible to include other events played on 2011)
- How to join Your event into this rating system:
 - this is **FREE of Charge**
 - Event must be registered on fmjd web at least 7 days in advance (<http://fmjd.org/?p=calend>)
 - deadline for the results to be send to fmjd (ratings@fmjd.org) is **7 days** after the event.
In case of delay – event can be included only with penalty of 50euro.
 - Results should be sent only in electronic form. At the moment it is possible using programs Chessarbiter and Tournooimanager. For others → details on request.

Enjoy!
