*(In parentheses, places before play-offs)*

rules:
After 9 rounds top 16 players playing play-offs.
Each round of the play-offs, except of course for the last round, players (in order of places in the Swiss ranking) can choose his/her opponent from the players qualified for the play-offs. All other players continue playing the Swiss tournament. Only in the play-offs, following a draw, a G-L tiebreak will be played with rate 3'+2" Fischer. Losers of the play offs re-enter the next round of the Swiss tournament with the score obtained in the regular play-off game (if 0 in regular game: then with 0 back into Swiss, if 1 in regular game and 0 in tiebreak, with 1 back into Swiss).
Round 10 → 16 players play in play-off, others play round 10 of Swiss
Round 11 → 8 players play in play-off, others (including 8 losers in play-offs from round 10) play round 11 in Swiss
Round 12 → 4 players play in play-off (semi-finals), others (including 4 play-off losers from round 11) play round 12 in Swiss
Round 13 (last) → Winners from semi-finals play the final match. Others back to the Swiss.
