1. **News from the African confederation**
   The African championship will be played in Mali from June 11 to June 26. Mali repkaces Burkina Faso.
   The CAJD thanks and congratulates EVP Mr. Fofana for his work to realize this African 1championship in Mali.
   More than 10 federations will be represented with 2 players each and also the title holder and the highest ranked player in the FMJD rating list.
   Mali participates with 2 players plus 2 players for organization place and sponsor place and if necessary one make-even player.
   The CAJD presents the agreement of the authorities in Gambia to organize the world Championship 2013 in Banjul.

2. **News from the Pan-American confederation (by mail)**
   The Pan-American championship will be held in January 2011. This is after the deadline November 8 for the qualification for the World Championship 2011, but the Executive Board accepts qualification from this tournament for the World Championship in May 2011 in the Netherlands

3. **News from the section 64**
   In the General Assembly of the section 64 on May 1, 2010 12 federations were present with voting rights. A new president of the section 64 has been elected: Vladimir Langin takes the place of former president Leszek Petlicki and becomes member of the Executive Board of the FMJD.
   News from the section 64 is regularly published on the website of the section 64 www.fmjd64.com. As much as possible the information will be published in Russian, English and French.

4. **Doping control**
   In 2010 the FMJD will have tests during the African Championship in Mali and in 2011 during the World Championship in the Netherlands. Due to the discussion within IMSA there will not be out of competition testing in 2010.

5. **Ethics committee**
   The ethics committee is preparing a document with an ethical code for the behavior of players during competitions.
