Tournaments reports for ratings

Using Draughts Arbiter Pro

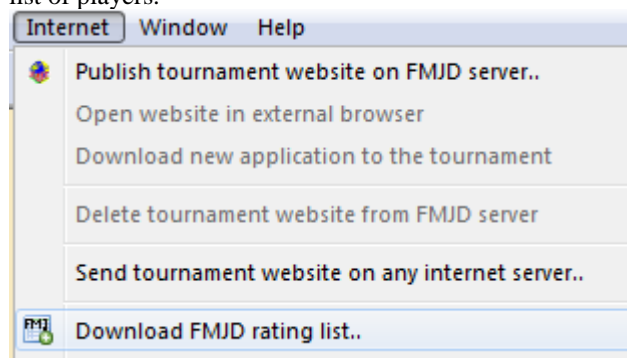

(free software available for download from FMJD web)

Just use the FMJD icon from the tool-bar to create the FMJD report for rating.

And this is all! Report is delivered without any more efforts.

Using this software for FMJD report – uses also players ID. You can download the current (updated regularly by FMJD) list of players.

After that, just choose which rating period is necessary for your tournament.

Important GA decision

GA Tallinn, October 8th decides:

FMJD publishes norms and the federation has to ask for a title

In the publications of the FMJD rating list FMJD publishes norms achieved by the players. A request for attribution of a title should be sent to the FMJD Council by the candidate via his national federation or by the national federation.

Every request consists of the complete name of the candidate, address, birth date and sufficient information to decide about the request for the candidate. The request has to contain a list of norms achieved by the candidate on which results the request for the title is based. The requests for an international title is examined and approved by the Council of FMJD and for confirmation presented to the General Assembly of the FMJD. The request is only considered after the corresponding fee has been paid to FMJD.
