

## **Registered Testing Pool (RTP) Player selection procedures**

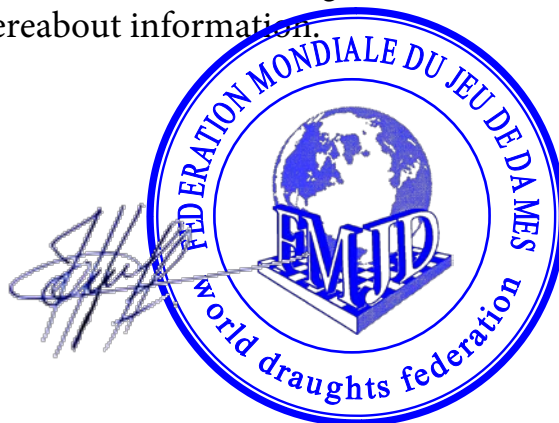

From the FMJD Web site (FMJD.org), 40 players will be selected from the FMJD top rank list to establish the FMJD RTP list each quarter of year by Jan 31, March 31, Jun 30 and September 30.

The following criteria will be used to select the player on the list.

- 1) The FMJD RTP list should contain no more than 3 players by country.
- 2) Five players from each 4 sets of ten group of players will be randomly selected for testing

Each (NF) and/or player selected for the RTP will be notified (at least a month before the target event) through FMJD web site FMJD.org and / or directly using the whereabouts information.

Each (NF) and/or player removed from the RTP will be notified through FMJD web site FMJD.org and / or directly using the whereabouts information.
