Calculation methods

1. Points:
 - a. Not more than 3 players from one country can obtain points each age group
 - b. Points = percentage score + bonus points for top 10 places (bonus points exactly like in World Cup). Example: winner with score 14 out of 9 rounds = 100 (bonus) + 78 (%) = 178 points for the team.
2. Separate calculation for boys/girls
3. Best 2 results from previous 3 years are counted.
