Technical details

13. Number of rounds to be confirmed by the main referee in the technical meeting.
14. The official software Draughts Arbiter will be used.

National/Regional team classification

15. The national/regional team classification is based on individual results of players representing their national/regional federation.
 - 15.1. The best 3 players from one country/region in the final classification obtain points in each age group, the calculation is done by percentage score + bonus points for top 10 places (bonus points exactly like in World Cup: 1st - 100, 2nd - 70, ..., 10th - 20). Example - 6 points out of 9 rounds and 21st place gives 33 points for the country/region. 1st place with 15 points gives 183 points (100 + 83).
 - 15.2. There will be separate classifications in classic, blitz and rapid championships, in each classification results of boys and girls groups will be counted together
