Additional information

It is strongly recommended to register as early as possible because the tournament will take place at the same time as the “Printemps de Bourges” a famous event that takes place every year with a lot of famous artists (MIKA, PLK, MATT POKORA, SHAKA PONK)

There will be breakfast at the playing hall for the price of €5 (notify us if you are interested no later than March 30, 2024). There is the possibility of buying coffee and various drinks throughout the day.

To eat lunch at a low price and quickly, there is a bakery-sandwich shop (Patapain) just across the street, and there are also restaurants really close to the playing hall.

We are expecting many of you during this week of festivities and celebrations for our city of Bourges.
