The pairing and overall tournament management shall be carried out using the SwissManager software.

6.1.2 Time

Time control per game: 20 minutes + 10 seconds increment per move, starting from move 1.

6.1.3 Default time

There is no default time. No penalty shall be imposed on a player if he/she is late for any of his/her games.

6.1.4 Conditions of Victory

The player with the highest number of points (1 point for each win, 0.5 points for each draw, and 0 points for each loss) shall be declared the World Classic Champion.

6.1.5 Tie-breaks

If two or more players score the same points, the tie is broken by the following criteria, in order of priority:

Buchholz Cut 1;

Buchholz;

Sonneborn-Berger;

The greater number of wins;

Direct encounter between the players in tie (applies only if all tied players have played each other).

TIE-BREAK FOR 1ST PLACE (WORLD TITLE)

If there is a tie for first place, the World Champion shall be determined as follows:

A1) If two players are tied, a two-game match shall be played between them, under the draw for the three-move openings. The time control shall be 6 minutes per game, with an increment of 5 seconds per move starting from move 1.

A draw for colours shall determine which player has the White pieces in Game 1; colours shall be reversed in Game 2.

A2) If the match referred to in article A1) above ends in a tie, a single Armageddon game shall be played between the same players, under the draw for the three-move openings, under the following conditions: the opening shall be drawn first, followed by a draw to determine the player who shall have less time; the player who is allocated the greater time shall then choose the colour of the pieces. The game shall then be played. The Armageddon game shall start within 5 minutes of the conclusion of the previous game. One player shall have 5 minutes, with an increment of 2 seconds per move from move 1, and the other player shall have 3 minutes, also with an increment of 2 seconds per move from move 1.

If the Armageddon game is drawn, the player with less time shall be declared the winner.

A3) If more than two players are tied for first place, a knockout play-off shall be organized as follows:

Seeding: The tied players shall be ranked according to the tie-break criteria defined in Article 6.1.5 (in order: Buchholz Cut 1, Buchholz, Sonneborn-Berger, greater number of wins, direct encounter.). This ranking shall determine the seeding for the knockout bracket.

Knockout Format:

If three players are tied, Player 1 (top seed) receives a bye to the final. Players 2 and 3 shall play a semi-final match.

If four players are tied, a standard knockout bracket shall be used:

Semi-final 1: Seed 1 vs Seed 4

Semi-final 2: Seed 2 vs Seed 3

If five or more players are tied, the bracket shall be adapted accordingly by the Chief Arbiter to ensure a fair knockout progression.

Match Format: Each knockout match shall consist of a two-game mini-match, with the same time control as in Article A1 (6 minutes + 5 seconds increment per move from move 1). Colours for the first game shall be determined by lot; colours shall be reversed for the second game.

Tie in a Match: If a knockout match is tied after two games, an Armageddon game shall be played under the conditions specified in Article A2.

Final: The winner of the final match shall be declared the World Champion.

Timing: The knockout play-off shall begin after a break of at least five (5) minutes following the conclusion of the last round, at a time determined by the Chief Arbiter.
